6 clock hours available

Effective integration of technology in the classroom requires careful planning. This online book study will continue work that began in Instructional Design Using the Triple E Framework. The first meeting of this class will be at Educational Service District 105. This class will take place online using the Canvas Platform. Participants will complete readings, online discussions, and assignments as they go through the book. Price includes the cost of the book.

Program Outline:
Week 1 - What is authentic engagement?
Week 2 - Defining Engagement
Week 3 - Defining Enhancement
Week 4 - Defining Extension
Week 5 - The Triple E Measurement tool
Week 6 - Instructional Support Strategies
