“Special K'Nex Instructions”

**Please Keep the K'nex bags complete as you finish the Unit.
This way they will be ready for the next teacher.**

Page 28, in teachers, guide lists all the parts and respective count.

**If you have any missing items, please, place a note
inside that bag explaining what is missing.**

Example: Missing 1- white rod, or 1- yellow connector.

**Please ignore the directions in the teachers guide on
disassembling the lab materials.**

Thank You Very Much, SRC.
