Safe Sleep

Research shows parents and caregivers can take the following actions to help reduce the risk of SIDS and other sleep-related causes of infant (less than 1 year old) death:

- Always place babies on their backs to sleep for every sleep.
- Use a firm sleep surface, such as a mattress in a safety-approved crib, covered by a fitted sheet.
- Have the baby share your room, not your bed. Your baby should not sleep in an adult bed, on a couch, or on a chair alone, with you, or with anyone else.
- Keep soft objects, such as pillows and loose bedding out of your baby’s sleep area.
- Prevent exposure to smoking during pregnancy and after birth because these are important risk factors for SIDS. The risk of SIDS is even stronger when a baby shares a bed with a smoker. To reduce risk, do not smoke during pregnancy, and do not smoke or allow smoking around your baby.

Program: DEL Trainer Approval Online Training
The Department of Early Learning (DEL) has an approval process for state-approved trainers in Washington. This process is designed to promote quality training opportunities around the state that meet the required continuing education (STARS) and Child Care Basics. These online modules assist applicants and support trainers in their understanding and use of WA State documents and tools, the history of training in Washington, and methods of designing and facilitating instruction for diverse adult learners using best practices and culturally sensitive adult education.

Program: Foundational Health and Safety Training
These classes cover foundational content for Health and Safety Practices in Early Care and Education Settings. They provide information to assist in compliance of licensing requirements and NO STARS credit is given upon completion.

Program: Training for Early Childhood Education and Assistance Program (ECEAP)
Training specifically designed for ECEAP staff and contractors.

- Your MERIT account will show the completed training within two weeks.
Safe Sleep Resources and Help

The DEL website also includes a page titled Infant Safe Sleep Practices where definitions and rules regarding safe sleep are accessible to anyone. Visit the Infant Safe Sleep Practices page here: https://del.wa.gov/laws/development/InfantSafeSleep

Infant Safe Sleep Practices

On December 7, 2016 DEL filed a prenotice statement of inquiry in anticipation of incorporating current health and safety standards in its rules that instruct early learning providers on safe sleep practices.

This rule making is part of a larger effort to develop rules to implement a single set of licensing standards for child care and the early childhood education and assistance programs as directed by Section 9, Chapter 7, Laws of 2015, 3rd sp. sess. The safe sleep related rule making is proceeding separately because DEL believes that rules related to safe sleep standards are critical to the safety of children and need to be enacted before the rule making to align standards is expected to be completed.

Proposed rules were filed February 13, 2017 for publication in the March 1st edition of the State Register. A March 23 hearing is planned at 10:00 AM in Cascade Conference Room 130, 1110 Jefferson Street (DEL State Office), Olympia, Washington.

Comments on the proposed rules may be made at the hearing or emailed to rules@del.wa.gov. March 23 is the last day that comments will be accepted.

- Preliminary statement of inquiry
- Draft rule language - working drafts circulated on January 12, 2017
- Notice of March 23, 2017 hearing
- Proposed rules filed February 13, 2017

How to participate in DEL’s rule making:
1. Online: DEL Rules Comment webpage. Click “add comment” to give your input, or “view comments” to read what others have said. (This is a moderated page and comments are released periodically during business hours)
2. Email the Rules Coordinator
3. Mail to Rules Coordinator, P. O. Box 49970, Olympia, WA 98504-0970
