**Activity overview:** The purpose of this activity is to work with your classroom team to decide how to use zoning in your classroom.

Below is an example of a classroom map with zoning areas. On the next page you will find a blank map.

**Directions:** With your classroom team, sketch a map of your classroom environment then slide the sketch into a sheet protector, or laminate. Using dry erase markers, indicate which adult will be in which zone during center times. Use the back of the sheet for the outside environment.
