Please inquire with our SSOCC team for prices on trainings.

“SSOCC fostered building common language and empowering us to be in charge of our own safety.”
— Isidro Caballero, Asst. Principal
Granger Middle School

Contact SSOCC at:
(509) 853-1114 or (509) 575-2885
SSOCC@esd105.org
www.esd105.org/ssocc

“I cannot give a stronger recommendation for any school/district to partner with SSOCC. Their expertise, responsiveness, and ability to meet the specialized needs of each school make them a national leader in school safety.”
— Rob Darling, Principal
John Campbell Primary School, Selah

These organizations are among your partners who are helping us strengthen school safety:

Yakima County Sheriff’s Office  Clear Risk Solutions
Yakima County Fire Marshal  4QTRS
Washington State Patrol  Gaggle

“SSOCC fostered building common language and empowering us to be in charge of our own safety.”
— Isidro Caballero, Asst. Principal
Granger Middle School

“Putting YOU in control of SCHOOL SAFETY”

“A model for regional safety.”
— Washington State Auditor’s Office
2019 State School Safety Audit Report

School Safety Operations & Coordination Center
**FOUNDATION PROGRAM**

The Foundation Program puts YOU in control of your school’s safety. Through this program, we work with you to build your safety operations from the ground up by:

- Creating solid safety teams
- Making leading practice plans
- Ensuring community-wide communication
- Conducting reasonable and realistic testing

We offer you safety skills through our T.R.A.C.K. service model, which provides you with:

- Training
- Resources
- Assessments
- Consultation
- Knowledge

The Foundation Program includes monthly consultations, district-level coordination, discounted training and the development of a safety portfolio that can be shared with emergency responders as well as your staff.

**ANNUAL PRICE:** $2,000 per school*

* Services in the Foundation/Fortress Program are also available at a reduced rate to school districts with fewer than 300 students. Please inquire.

“SSOCC has been an invaluable service. With their support, we have built teams to address potential crises and increased awareness throughout our buildings.”

— Jared Lind, Principal & Safety Lead, Arthur H. Smith Elementary School, Grandview School District

**FORTRESS PROGRAM**

The Fortress Program brings the SSOCC to YOU by adding on-site consultation, training and assistance from our School Safety Operations specialists.

With Fortress, we’re right there beside you as boots-on-the-ground participants, meaning less work, faster adoption, better communication and safer schools.

The Fortress Program accelerates the pace and improves the quality of your planning, and is recommended for high schools, junior high schools, and middle schools. With this program, your school district receives the T.R.A.C.K services plus the following premier services:

- Free training for staff and students on any safety subject we provide
- Monthly in-person participation and guidance at your safety meetings, drills, and school board meetings
- Assessments for your schools and facilities
- Tabletop, functional and full-scale exercise planning and implementation

**ANNUAL PRICE:** $5,000 per school*

**Other Services**

**911 Geofencing**

Be notified of emergency calls within ¾ mile of your school. All calls monitored and tracked by SSOCC staff.

**ANNUAL COST:** $2,000 per school.

**InPointe: Alerts and Communication**

Notify staff with any mobile device. Secure two-way communication helps with crises and day-to-day operations. Training and certification, drill tracking, and help desk support.

**COST:** Varies; please inquire.

**SafePointe: Safety Technology Dashboard**

View all of your school safety technology assets in one interface: maps, cameras, door locks, and more. Training and certification, updates, and map changes.

**COST:** Varies; please inquire.

**Gaggle: Safety Monitor for Student E-mail & Files**

Combines technology with real people who review questionable and suspicious content in inbound and outbound e-mail, online file storage, attachments, links to websites, and other tools.

**COST:** Varies; please inquire.

**School Safety Trainings**

Trainings on several areas are available at ESD 105 or on site at your school.

**COST:** Varies; please inquire.
