**Instructors:** Dawn Sparks and Luke Matlack

**Intended audience:** New users of the Eureka Mathematics program and for coaches that support new users.

### **Eureka Math Curriculum Support Supporting Eureka Math K-5**

Eureka Math is a free online mathematics program that aligns with Washington Learning Standards for Mathematics. Participants will learn how the program is structured while preparing to teach the first module.

### **Key Activities Include:**

- ✓ Understand the structure of the Eureka Math Program
  - Grade Level, Unit Level and Lesson Level
- ✓ Manage lessons by understanding built in differentiation
  - What is a lesson must be done, could be done, and possible extensions
- ✓ Understand the models within the K-5 curriculum
  - Examples of models within a grade and how they develop throughout the grades
- ✓ Plan for implementation of Unit One in grade level bands
  - Determining Lessons, assessments, and supports
